

CONTENTS

The logo consists of the letters 'W' and 'E' stacked vertically. The 'W' is a solid teal color, while the 'E' is a lighter, cyan color. Both letters are rendered in a thick, blocky, sans-serif typeface.

Welcome to dynovadigitals – A 360° Creative Branding Agency, Web Design Studio & Digital Marketing Company in USA Georgia. We serve clients spread across the globe. We are a team of enthusiastic, results-oriented, digitally inspired & fresh 'out of the box' geeks rooted in India. With an end-to-end Brand design experience, we are also ninjas in designing & developing websites that your product/service needs, creating an identity & hence matching solutions that are focused on your goals & objectives. Fresh Mind Ideas has a handpicked team of talented, resourceful and unconventional thinkers and doers. Together, they make an agency for brands that wish to change the course, take on what's new and challenge the norms. We have a skillful group of brand strategists, digital marketers, SEO analysts, designers, developers and content creators to make brands future-ready. There's just one condition though. You've got to be as radical as we are, and we'd make a great team.

PRINT- DESIGN

What is Rooted Gifts ?

Rooted Gifts seeks to introduce the trend of Hanging plants and spread it across India.

The gifts are carefully and creatively packaged, designed, gift messages are designed and everything else you need to know about caring for a plant is provided along with the gift.

ask a lot of questions to people who don't have the answers, but I guess I'm not that kind of guy. In fact I'm not this situation at all, the kind of guy to be in this situation was Sven Kolbe, the national representative of Norway regarding environmental issues. And he should've been, but unfortunately a turn of events meant that I was to take his place at the International Conference for Environmental Stability (ICES). This conference is proposed to solve the crisis

ask a lot of questions to people who don't have the answers, but I guess I'm not that kind of guy. In fact I'm not this situation at all, the kind of guy to be in this situation was Sven Kolbe, the national representative of Norway regarding environmental issues. And he should've been, but unfortunately a turn of events meant that I was to take his place at the International Conference for Environmental Stability (ICES). This conference is proposed to solve the crisis

that spoke Norwegian and about the energy crisis, and most importantly, could get to New York within the next couple of hours. I'm not a politician I'm a journalist. A Rick or Mick decided it'd be a swell idea to down half a bottle of jacks then drive to his ex-wives house and try to win her back with a half-baked speech and some lousy gas station roses. Only he didn't make it to his ex-wives house to try and win her back because he ran every red light till he smashed into the driver's side of Sven Kolbe's Mercedes Benz who was on his way to the airport so he could get to New York for the ICES. Rick or Mick walked away that
